In 1995 the 'Friends' of the museum was founded as a means of encouraging interest in the Museums work of preserving the Collection for the benefit of our future generations.

The Collection contains approx 250 bicycles from 1818 through to modern machines set in period, with a display area of approximately 6,000 sq ft.

The Museum is staffed and operated by a team of volunteer trustees who give their time and energy to ensure the Collection is available for the cycling enthusiast, the research historian and the general public to enjoy.

Please help to preserve the future of the collection by becoming a 'FRIEND'

**The Trustees extend their appreciation to everyone who becomes a 'Friend' of the museum.**
